

# Cittanova, Italy

FRIDAY 13.10.2023

# Morning

- In the morning we met up with our groups and finished our company powerpoints. After finishing our powerpoints, we started presenting our company ideas.
- After the presentations we had a local fair at the school, that exposed us to local goods like olive oil, cheese and torrone.
- When the fair was finished we had a goodbye ceremony. In the ceremony everyone got their Erasmus certificates as well as the best company was revealed. Bamboosa was the winning company idea.

# Day

- After having the final lunch party we went out and headed to Tavernas Torrone factory. At the Tavernas factory we saw the process of making the torrone. We also got a chance to taste it!
- After the round at the Taverna's factory we went to Taverna's café and ice cream shop. At the cafe we had the chance to taste some amazing italian ice cream.
- After the days "work" we went home and most of us started packing!!

---

# Evening/ Night

- In the evening after packing and eating we all left for the last night out. We all went to Polistena together.
- In Polistena we had some ice cream as well as we went around town and spend a good night together.
