Vaasa tour

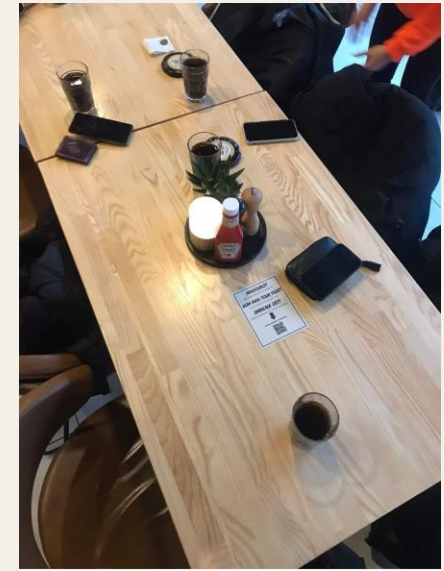

Our day started with a bus drive to Vaasa. In Vaasa we had a tour of the whole city. During our tour we saw many different statues and old buildings. We also got to walk on ice. We took many pictures.

Our tour lasted for an hour and after the tour we had some free time

Free time after tour

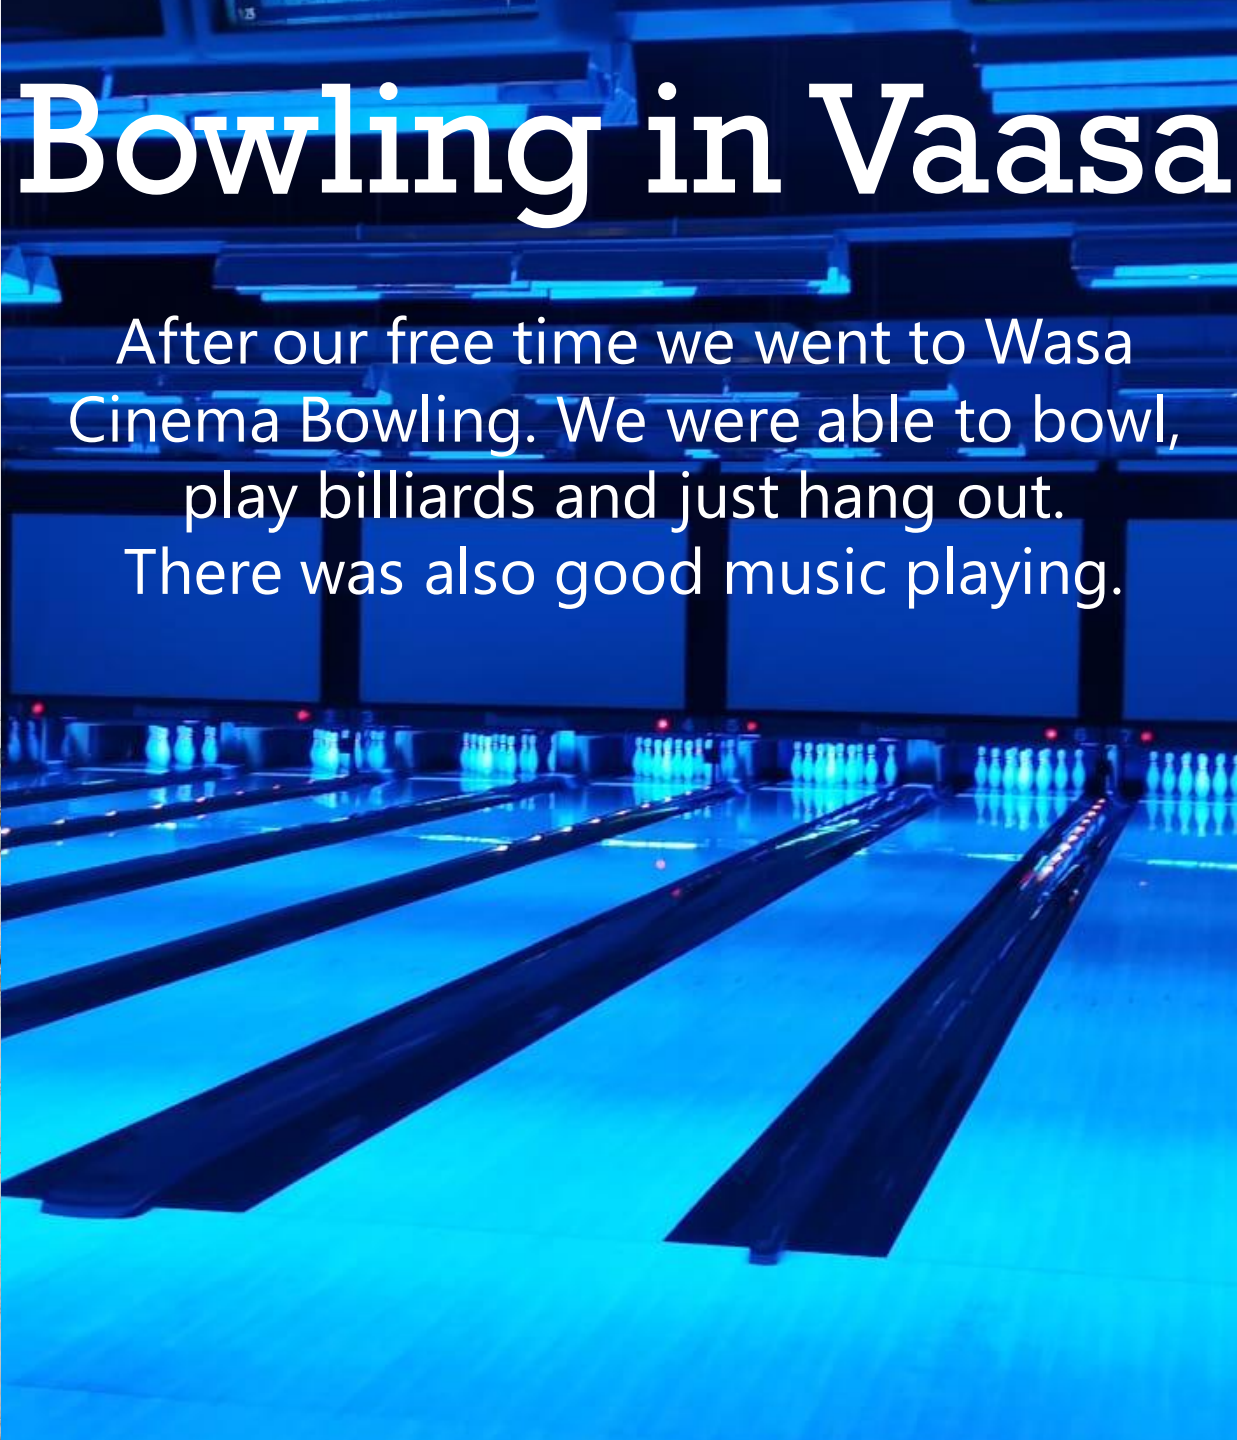

After the tour we all went to eat.
Some ate sushi and others

Bowling in Vaasa

After our free time we went to Wasa Cinema Bowling. We were able to bowl, play billiards and just hang out. There was also good music playing.
