First Erasmus-day in Cittanova

Liceo Scientifico "M. Guerrisi" - Cittanova +  
Kyrönmaan lukio

# We got to know the school

In the morning we got to know the Liceo Scientifico "M. Guerrisi" - Cittanova -school. The school had the second biggest planetarium in Italy!

# Welcome ceremony

- In the morning a welcome ceremony was organized, where the national anthems of both countries were sung, a flag parade was organized and other common songs were sung together.

We danced traditional dances

- We danced both Finnish and Italian traditional dances. A few dances from Spain might have slipped in there also.

We had lunch in a restaurant near the school

We got to know  
Cittanova with Francesco  
Carrabetta as our guide

# A long day

- The day was long but really great beginning for the trip
- After this we headed to our host-families for the evening to get to know them and went to sleep. Or well most of us went to sleep :Dd
